# Premium Dried Pineapple

**\*FOB Prices Kampala, Uganda: Organic: \$12.69/kg Conventional \$5.00/kg (USD)**

Premium dried pineapple is a delicious and healthy snack. The pineapple we use for making these snacks are grown pesticide and chemical free. Our all-natural and organic pineapple slices contain no added sweeteners or preservatives. If you are looking for a sweet treat that won't break your diet, Organic Route's pineapple is a fantastic option.

## **Health benefits of dried Pineapple**

Our pineapples are an excellent source of dietary fiber, antioxidants, and delicious taste. Their large fiber content makes a little go a long way and keeps the digestive tract running smoothly. Pineapples are also a good source of antioxidants. Additionally, dried organic pineapple is rich in enzymes such as bromelain, which is effective at reducing inflammation relieving indigestion and improving the immune system.
